

BRIDGE FOR DESIGN

BATHROOMS

CATCHPOLE & RYE

This range of beautiful and durable baths by Catchpole & Rye will make statement pieces in any bathroom. After manufacture, the Brass Bateau bath has a hard-wearing compound applied which helps maintain the interior and exterior finishes on the baths. This ensures they retain their respective appearances against the rigours of daily use. Available in three standard lengths, all Brass Bateau baths feature the signature Catchpole & Rye plaque on its plinth as standard. T: +44 (0) 207 351 0940 | www.catchpoleandrye.com

DRUMMONDS

Classic bathroomware by Drummonds is beautifully set within a simple, modern interior; putting all the design focus onto the gleaming brass, marble and china. The pieces chosen are all on a grand scale; underlining the luxury of having a large bathroom with space for dramatic pieces such as the spectacular double vanity. Designed by Drummonds' Bathroom Design Service, this townhouse bathroom has a sophisticated urban edge suitable for the most modern of bathrooms. T: +44 (0) 207 376 4499 | www.drummonds-uk.com

CHADDER & CO

This Blenheim Bath from Chadder & Co has been created by hand and professionally wrapped in Carbon Fibre. Inspired by the use of this technique within the motor sports industry, designers at Chadder & Co have taken to using this method on traditional style baths, allowing them to create unique and interesting textures and baths with real wow factor.
