## Piping hot

This classic Dalby statement shower from Drummonds features exposed pipework and a classically styled shower block. It's housed in an L-shape enclosure and is made from Arabascato marble and china. It's finished in brass. From £2,970. [drummonds-uk.com](http://drummonds-uk.com)

The Tay bath, from Drummonds, is a large double-ended roll-top bath made from solid cast iron. In a hand-polished finish, this beautiful bath would be just as at home in a traditional or contemporary setting. The sweeping oval plinth gives this freestanding bath a sculptural form, while the polished metal exterior highlights its architectural lines. This is just one of the many bespoke finishes which Drummonds offer on their cast iron baths. £5,460. [drummonds-uk.com](http://drummonds-uk.com)
