Decorating

Geometric designs have paved floors for centuries, but why not give yours a contemporary twist by laying giant triangular flags in a random arrangement and in a refreshing mix of contrasting hues? These Triangoli handcrafted terracotta tiles, around £205 per m² at Palazzo Morelli, look really effective teamed with a freestanding bath, such as Drummonds' Spey design, £3,570, painted in a complementary shade. For a similar paint, try Inkwood by Sanderson, £21 per 1ltr of matt emulsion. Finally, mirror the angular feel on the ceiling with a sculptural light-fitting.
