Details of essential contacts.

1| SHINING EXAMPLE

The traditional claw-footed bath has been given an update with a polished and lacquered finish, which lends itself beautifully to this opulent space. Note the wall-hung vanity unit, offering a sleek counterpoint to the room's more ornate detailing.

Spey free-standing bath, from £3,570; **Classic bath mixer tap** with Mull head, from £1,434; **H-stand support**, from £1,014; all Drummonds, 020 7376 4499, drummonds-uk.com.

TREND

HERITAGE REVIVAL

From Deco extravagance to Victorian elegance, classic designs bring poise and refinement to a scheme

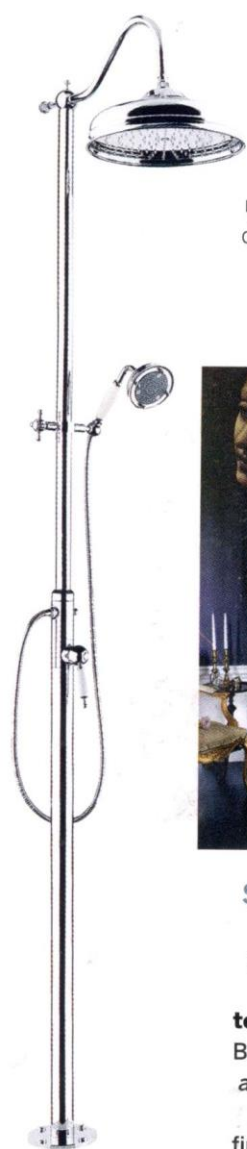

LIGHT MOVES

Davey Lighting's signature box pendants have taken an hexagonal direction and are inspired by the lines of landmarks such as the Shard and the Eiffel Tower. **Hex pendant**, from £415. Contact 020 7351 2130, davey-lighting.co.uk.

STRONG TRADITION

Designer Christopher Jenner's free-standing bathroom furniture for Drummonds, 020 7376 4499, drummonds-uk.com, takes its cues from the brand's artisanal heritage, using traditional materials and techniques. We love the **Pembridge double vanity** in oiled oak and polished iron, from £8,950.

ONE FOR ALL

Bagno Design's new classically styled **Princess Nouveau** floor-mounted shower column boasts a generous 30cm diameter rose plus a hand-shower with diverter. It costs from £3,852. Contact 020 7553 6999, bagnodesign.co.uk.

STATELY PROGRESS

Historical design meets up-to-date function in the new **Piccadilly shower temple**, from £7,498, Arcade Bathrooms, 0845 539 0055, arcadebathrooms.com. The metal parts are specially finished to retain their shine.

BACK TO THE FUTURE

Material innovations are modernising traditional designs, as seen in this **Aurelius bath**, £4,896 from CP Hart, 0845 600 1950, cphart.co.uk. "It's made from a resin composite, called Cian, that conducts heat incredibly well, ensuring your bath stays nice and warm," says CP Hart designer Dan Cook.

2| BOUDOIR CHIC

Every detail here was chosen to complement the style of the French château, from the ornate lighting and scalloped marble basin to the muted plaster walls and carved beam, coming together in a space that feels more like a dressing area than a bathroom.

Similar basin. Bianco sculptured marble basin, £719, Lapidida, 0800 012 2220, lapidida.com.

3| SHADES OF GREY

Here, the deep charcoal tone of the bath matches the darker veins of the fabulous Arabescato marble. A fabric blind and an upholstered stool bring notes of softness and comfort to the scheme.

Interior design, Todhunter Earle, 020 7349 9999, todhunterearle.com. **Vieques bath,** £9,444, West One Bathrooms, 0333 011 3333, westonebathrooms.com. **Raindance Royale overhead shower,** £1,725; **Axor Citterio thermostatic lever mixer,** around £582; both Hansgrohe at CP Hart, 0845 600 1950, cphart.co.uk.

4| PICTURE PERFECT

A scenic wallpaper in a palette of gold and black creates a compelling backdrop for the classic double washstand. The antiqued brass fittings echo the rich gold of the design.

Double Hebdern vanity basin in Arabescato marble with antiqued brass stand, £7,194; **Classic pop-up basin mixer** in antiqued brass with burnished walnut-lever handles, £1,704; **round mirrors,** £858 each; all Drummonds, 020 7376 4499, drummonds-uk.com. **Rateau wallpaper,** 91.5cm wide, from £750 a panel, De Gournay, 020 7352 9988, degournay.com.
