OUT AND ABOUT

Latest launches... chic showrooms... hot buys... CAROLE ANNETT takes note

ROOM FOR TWO

I am seeing more and more double-seater **armchairs** and this one has added oomph as it converts into a bed. 'Foxham Love Seat Sofa Bed', covered in washed cotton in the citrus colourway, 90 x 130cm square, £795. 0845-468 0577; willowandhall.co.uk

FRESH LINENS

Charlotte Lawson Johnston prints fabrics and wallpapers in a mill just outside London. Pictured is her 'Speckled' linen design in aloe green (£35 a metre), on a footstool by Salvesen Graham for David Seyfried (46 x 120 x 80cm, from £960. cljhome.com davidseyfried.com

Carole at the Zinc Textile showroom at Chelsea Wharf

Will Fisher of Jamb designed this 'MARKHAM' globe lantern for a house he renovated in Spitalfields. 'The opaque glass held within brass bars is timeless,' he says. It measures 75.5 x 48cm diameter and costs £3,360 in the antique brass finish pictured. 020-7730 2122; jamb.co.uk

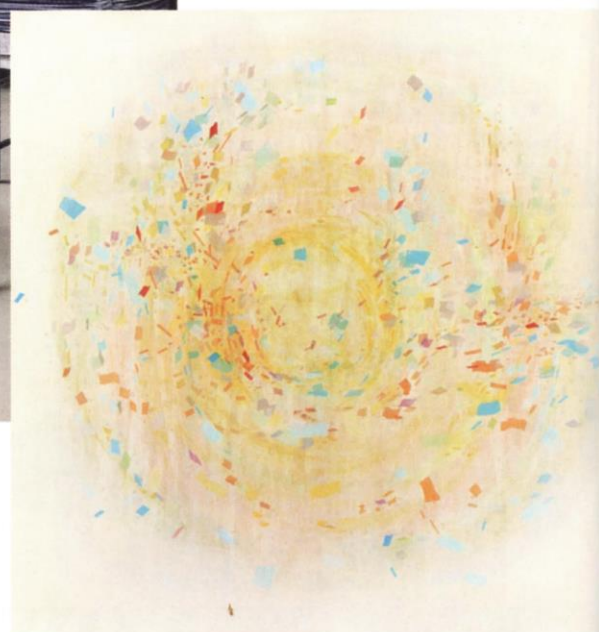

Sinking in

One of my pet hates is tiddly basins that don't allow you to wash your hands properly. This 'Bourne' design by Drummonds ticks all the boxes for neatness, depth and splash room. It measures 12 x 45 x 30cm and costs £1,194 as seen. Drummonds' classic wall-mounted basin mixer in brass, also pictured, costs £1,290. 020-7376 4499; drummonds-uk.com

GOING FOR GOLD

Melanie Berman's work is inspired by wishes and mythology, and the countryside where she lives in Burwash, East Sussex. This **painting**, called *Golden Realm*, measures 100cm square and costs £1,900. It is one of 10 new paintings by Melanie on show at the gallery at One Warwick Park Hotel in Tunbridge Wells. melanieberman.com | onewarwickpark.co.uk
