RETAIL THERAPY

A teal Drummonds Serpentine cast iron bathtub is the central focus, set against a wall of large, light-colored marble tiles. To the left, a rustic wooden shelf holds a blue water bottle and folded towels. To the right, a large green plant adds a touch of nature. The tub features a classic clawfoot design and a chrome faucet with a handheld showerhead.

REAL HOMES

Function with style

This well designed kitchen has clean lines and subtle textural changes to tie into the polished concrete floor. It features a beautiful, bespoke breakfast bar which gives an architectural feel to the island design and the entire kitchen. Modern family life requires a significant degree of functionality, and this gorgeous kitchen achieves that perfectly without compromising on style.

Feel good flow

This stunning kitchen is housed in a beautifully renovated Oxfordshire Victorian rectory, complete with a swimming pool and breathtaking views. A traditional country kitchen with a contemporary twist, this cleverly designed family space will stand the test of time both in terms of style and use.
