**MAIN BEDROOM**

This room includes several items that James and Jessica brought over from their previous home, including the ornate headboard, which has been reupholstered to give it a new lease of life.

**Milano wall lights** in antique brass, £750 each, Richard Taylor Designs, richardtaylor designs.co.uk.

**CHILD'S BEDROOM**

Carving a desk area from built-in wardrobes streamlines this room and makes it feel more spacious. Blackboard paint and an orange gloss desktop add a playful edge and connect it to the overall design.

**Bark rug** in multi, £355, Suki Cheema, sukicheema.com.

**CLOAKROOM**

Contrasting earthy, textured black wall tiles with graphic patterned floor tiles gives this space a strong identity.

**Phenomenon floor tiles** in Grigio, Nero, Fango and Bianco, £220.48sq m, Domus Tiles, domustiles.co.uk.

**MAIN BATHROOM**

At the heart of this bathroom is a roll-top bath, overlooking views of the river. A boldly-coloured ottoman enlivens the otherwise neutral scheme and provides a useful seat or repository for clothes.

**Wye bateau cast-iron bath** with polished and lacquered exterior, from £3,570, Drummonds, drummonds-uk.com.

# DREAM BATHROOMS

**KEY LOOKS FOR 2018**

TRENDS | CASE STUDIES | EXPERT ADVICE | SHOPPING

◁ **SMALL WONDERS**

With more brands introducing mini versions of their bestsellers, key pieces are being elevated from space-saving solution to style hero. The Ashburn bath, from £3,390, Drummonds, [drummonds-uk.com](http://drummonds-uk.com), is a mere 152cm long but packs a serious design punch.

▽ **WHITE OUT**

Meet Crittall-style framing's alter ego – an altogether more delicate-looking white version that provides a subtler take on the industrial vibe. This is the Matki-ONE wet room panel with White Framed-Effect safety glass, which is digitally printed to achieve a crisp, contemporary framed pattern. Prices start at £1,248 for a 90cm-wide shower panel, Matki, [matki.co.uk](http://matki.co.uk).

▷ **WATER TIGHT**

No longer the sole reserve of showers, the latest wet rooms cover all the bases. This innovative bathroom designed by Leanne Ford Interiors, [leannefordinteriors.com](http://leannefordinteriors.com), has been completely tanked, allowing its owner to splash around, be it in the generous twin showers, overhead rainfall or the robust double-ended Aegean bath, from £4,063, The Albion Bath Company, [albionbathco.com](http://albionbathco.com).

▽ **LET IT SHINE**

Glowing golden finishes are moving beyond brassware and Catchpole & Rye, [catchpoleandrye.com](http://catchpoleandrye.com), has captured the mood with this Brass Bateau bath, £6,600, which has been hand-polished to a high shine. Monochrome Mosaic floor tiles, from £351sq m, Devon & Devon, [devon-devon.com](http://devon-devon.com), are a great foil for dialling down the glitz in this bathroom designed by Eyre Interiors, [eyreinteriors.co.uk](http://eyreinteriors.co.uk).

◁ **VANITY FAIR**

We've had statement baths in many permutations – now it's time for the vanity area to take the spotlight. This spring's Continental bathroom exhibitions were awash with standout designs, including this Plissé basin by Italian company Oasis, shown in gloss white with rose gold trim. It starts at £2,700, West One Bathrooms, [westonebathrooms.com](http://westonebathrooms.com).
