# Dream *Room*

This 16th century Catalan farmhouse has been lovingly restored using original materials with carefully curated additions to transform the property into a comfortable family home.

Luxurious, yet quirky and rustic, the Spanish building is an unusual setting for Drummonds' classic English bathroom ware, but the scale and authenticity of the products, all in a chrome finish, connect them perfectly to the simplicity of its beauty. Designed by Ana Engelhorn, the master bathroom with a Spey freestanding bath as the centrepiece, is open plan to the bedroom beyond, but a wooden room divider provides privacy as well as creating space for the enormous floor-mounted heated towel rail.

In the same spirit of marrying antique charm with modern luxury, Drummonds' Double Lowther vanity basin, with its hand-carved Arabescato marble top, brings period grandeur to the room.

Spey bath with a polished and lacquered exterior, from £3,570; Mull Classic bath and shower mixer on H-Stand, from £2,630; plunger waste, £1,555, Double Lowther basin suite, from £7,980, Mull Classic 3-hole basin mixer, from £1,170, 6-bar floor-mounted heated towel rail, from £2,865. All finished in chrome. [drummonds-uk.com](http://drummonds-uk.com)
