LAURA NORMANTON showcases new products
– from beautiful baths and basins to colourful tiles

Soak in style

'I wanted a bath that would be elegant and supremely comfortable,' says Susie Atkinson of the cast-iron 'Whitewater' bath she has designed for **Drummonds**. With graceful proportions and tapered feet, it will work well in bathrooms large and small. Available in a painted, polished, primed or raw metal finish, it costs from £3,792. drummonds-uk.com

SMART STORAGE

Floating cabinets create a sense of space and this 'Grate' design from **West One Bathrooms** has a smart modern feel. The cabinet has a drawer for storage under a basin in Pietra Grey marble. From £7,000. 0333 011 3333; westonebathrooms.com

WITH THE GRAIN

Bringing wood into a bathroom can soften what might otherwise be a clinical space. **Neptune's** 'Edinburgh' oak washstand has ample storage and a smart marble top. The single undermount washstand costs £1,265. 01793 427300; neptune.com
