LIKE FINE WINE

Warner House's 'Adaline' wallpaper in merlot would work well in a cosy study. The design also comes in ivory, espresso, indigo, jade and teal, and as a viscose/linen fabric. The wallpaper costs £95 a 10-metre roll; fabric is £65 a metre. 0330 055 2995; warner-house.com

LONDON CALLING

Founded in 1925, Italian company **Porro** is opening a London showroom in Tom Dixon's Coal Office building in King's Cross, N1. This 'Lullaby' ash chair costs around €2,671 as seen. It can be covered in a range of fabrics and leathers. porro.com/en

Heart of glass

These 'Lavaux' goblets from **Oka** are top of my wishlist. Shown in (from left) aubergine, crème de menthe, multi and sapphire, they would make an eye-catching addition to your table. A set of four matching glasses costs £60. 0333 004 2042; oka.com ▷
