FREESTANDING SHOWERS

The Mersey Freestanding Shower

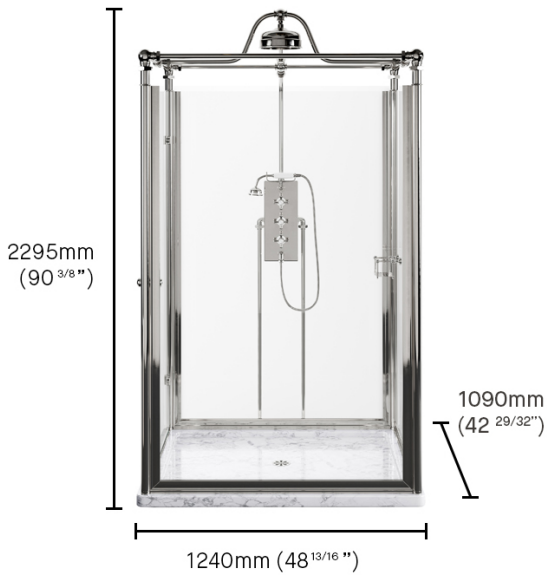

The Mersey Shower comes with a beautifully crafted shower tray. Carved from the finest marble, the robust tray is surrounded by a complete glass-enclosed shower unit, making it perfect as a centrepiece for any bathroom. The built-in 300mm (12") classic shower head and handheld shower provide a heavenly rain effect. **FLOOR PREPARATION:** For marble shower tray installation, ensure a level, stable subfloor. We do not recommend installing a marble shower tray directly onto a wooden floor unless additional precautions are taken to protect the tray against movements in the floorboards which in the humid environment of a bathroom, is highly likely.
