

## SHOWERS

# The Chessleton On/Off Shower Control

Drummonds' Chessleton range has been designed to bring the timeless elegance of the Art Deco period to your bathroom. Our angular yet elegant shower controls have been cast by hand in solid brass with your choice of either china or metal lever finish. You will require an On/Off Control & Trim Set with all Chessleton showers. Choose this option where your shower set up only has one water feature, e.g. a shower head. For options with a hand shower or bath filler, please choose a 2-way or 3-way diverter trim set. You will also need to include a Thermostatic Valve & Trim set to complete your Chessleton Shower set up. There is the option to include a Chessleton Wall Plate, for a more decorative option.

For the installation manual, please contact our customer service team at [customerservice@drummonds-uk.com](mailto:customerservice@drummonds-uk.com)
