LONDON · NEW YORK

SHOWERS

The Chessleton Surface Mounted Shower

Designed as a bold, stunning statement piece for any shower room. This shower block holds the iconic Chessleton style with its sharp lines and transitional features to elevate any shower room. With separate on/off controls the shower comes complete with handset and ready for any of Drummonds stunning overhead showers. The feed height can be set by the customer's preference, the block height and the shower head position. Designed also to allow the shower arm to be shortened to protrude the length you want. Please note the hand shower can be positioned on the left or right to the customers preference.
