

SINGLE VANITY BASINS

The Single Buttermere Vanity Basin

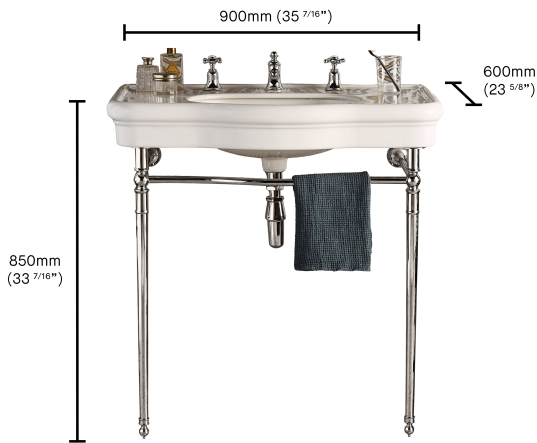

The new Buttermere single vanity has a harmonious simplicity, uniting a white china top with prettily tapered metal legs, a modern update on our timeless Windermere basin. The elegant curves have been sculpted and glazed by hand from the finest English china clay. Unlike the Windermere (now also a double vanity), which is made totally from clay, the Buttermere features beautiful metal legs. The bow front of the basin is echoed in the towel rail below.
