

## BATHS

### *The Spey Cast Iron Bath Tub With Ball & Claw Feet*

Named whilst fly-fishing in the famous Scottish river, this Drummonds favourite is currently our most spacious cast iron bath. The luxurious ball & claw feet raise the large tub up, giving the bath a commanding stature. And, its large roll-top edges have been designed for supreme comfort.

For IAPMO/MA listed bathtubs, please specify a tub with slip resistance.
